CHS in the Community

National Night Out was another great community event for us to be at! Thank you to event organizers for providing us all with assistance in finding our locations, some muscle, and great weather! A special thank you to NAMI for lending us their canopy to keep that warm sun off us! If you missed it this year plan to attend next year on August 6th, 2024.

This is a great way for you and your family members to meet and get information about a number of great organizations as well as meet your local police, EMS and Fire department crews. A trip to the new splash pad was great to help beat the heat!

Cannonball Run

Motorcyclists Jonas Zahn and Brenda Kuhl are participating in this year's Cannonball Run. This cross country run begins on September 7th in Virginia Beach, VA and ends in Oceanside, CA on Sep. 24. They are combining this run with a fundraising opportunity for three area charities, CHS, PAVE and Playground Movement. Donors can pledge an amount of their choice per point. Jonas estimates they will accrue 3,500 to 4,000 points. To make a pledge, use the following link to go to their page <https://www.peglegsspeedshop.com/pledge-for-charity>

100% of the pledges will go to all three of the charities or you may support only one charity. The Seippel Foundation is going to do a match of funds, so actually 200% of your pledge will benefit a local charity.

It is time to get ready for the annual Walk to help prevent Suicide by increasing awareness. We will again have a Church Health Services team anyone is welcome to join.
