

Church Health Services News

November 2023

Renovation progress

Progress continues under the ever watchful eyes of Steve DeYoung, Construction Manager. Painting and flooring is mostly complete. Photos in the top row depict our new lower level and first floor. The lower row shows our second floor counseling rooms and counselor's work space.

Ever so much closer!

Our Mission:

Church Health Services, Inc. is a faith-based healthcare organization that conducts primary, dental, and mental health care clinics for low income children and adults and partners with local congregations to help them become centers for health and healing.

CHS in the Community

Leadership Beaver Dam participants visited our location for a tour and presentation of our services and programs. Each November the focus of their class is on area nonprofits. They spent time in the morning learning more about the variety of nonprofit organizations in our Dodge County area.

In the afternoon they spent time visiting and touring both our facility and while here they had a first hand look at our renovation progress after which Thea gave them an update of our services and programs. We love these opportunities to share!

We were invited to take part in two area Diabetic Health Fairs this week. Bob and Carol spent time in Columbus at the Prairie Ridge Diabetic Health Fair while Bev and Dennis went to Fond du Lac for the SSM hosted Diabetic Management and Prevention Fair. We were able to share our service and program information with attendees and network with the other organizations there.

Community Support

Mittera donation

A shout out of thanks to Mittera management and employees for helping us keep our Little Free Pantry stocked with dental and personal care supplies. When they heard about our need

they quickly put a drive together and delivered the donation.

Our Little Free Pantry continues to be used a lot! We are grateful for our communities' support in keeping food and personal care items stocked in the pantry for those who need them. Donations are always welcome and appreciated!

Elks Club donation

Thank you Elk's Club members for deciding to make a donation to support our services and programs, we are very grateful!

We wish you the best of all things with your club merge!

Walgreens Donation Program

We are a beneficiary of the myWalgreens donation program from now until the end of November! Donate your myWalgreens cash rewards to Church Health Services thru 12/31/23.

Help communities *you*
care about by
donating your
Walgreens Cash rewards.

myWalgreens

Any donations we receive will go to help us provide dental, medical, and mental health services to low income children and adults.

To learn more about this myWalgreens program visit [walgreens.com/mywalgreens](https://www.walgreens.com/mywalgreens) or use your Walgreens App.

Dam Cars and Coffee Donation

Event organizers, Joan Hohenstein, Bradley Rhode, Charlie Hohenstein and Jeff Nowicki recently presented a check to Thea for \$1,000.00! Dam Cars and Coffee events were held at the Hometown Glass & Improvement location three times this summer. It was a great opportunity to raise awareness and funding for Dodge County Sheriff's Department mental health and counseling needs. The funds were donated to Church Health Services as they are the mental health care providers for the Sheriff's Department. This event came about through Joan's participation in Leadership Beaver Dam last year. Participants were required to choose, develop, and implement a project. Joan knew of the need for funding for this program and chose this activity to help. Cassandra Schmidt, Modern Woodman agreed to match funds for this project. Organizers are already planning for next year's Dam Cars & Coffee events the first Sunday of June, July, and August in 2024.

Staff Activities

PYRAMID OF PRIDE AWARDS

The Wisconsin Dental Association recently had their annual Pyramid of Pride Award celebration. Dr. Jeff Champion was a 2023 recipient of their Community Service Award!

Dr. Champion has served in a number of leadership roles with the Columbia Dodge Marquette Dental Society. He also has helped organize and participate in both last year and this year's Dental Mission trips to the Dominican Republic of Elías Piña where any medical care is difficult to access. They were able to provide much needed dental care while using only the supplies they could bring.

The Pyramid of Pride Awards are given annually to member dentists, organizations and others who have demonstrated exemplary commitment, service and achievement in regard to dentistry and the oral health of Wisconsin residents. **Congratulations Dr. Jeff!**

Staff Activities

We have been busy over the last month with so many things. As areas are finished being renovated, time is spent putting office and counseling room spaces back together. Our staff utilize multi tasking skills to get things done!

Our staff training continued in October with Erv Munro at the helm. We continued to deepen our knowledge and effective use of communication and problem solving skills in.

We also took time to have a little Halloween Fun!
