Why Attend Fundraising Events?

Fundraising events are one of the tools we use to raise necessary funds but also to expand our reach and build community support. It's more than just collecting money; it's about engaging with people and sharing our mission, which grows our network.

When we hold a fundraising event, we want to bring people together, create a shared experience centered around a common cause. This sense of community allows us to develop long-lasting relationships with attendees and sponsors.

Fundraising events also provide opportunities for personal interactions, enabling us to connect on a deeper level. These interactions are crucial for understanding the needs and interests of the communities we serve.

We look forward to seeing you for an evening of laughter!!

November 14th at 7 pm

**Beaver Dam Area Community
Theatre**

Tickets are \$35 each
Scan the QR code or link to purchase!

A Fundraiser for Church Health Services

Our Mission:

Church Health Services is a Christian based healthcare organization that provides dental, mental health, and medical services for the low-income uninsured and underinsured.

Phone: 920-887-1766 • Email: info@churchclinic.org • Website: www.churchclinic.org

CHS in the Community

Information Exchange

Karen had a great conversation with Chris and Kristi from the BMO Bank- Beaver Dam branch last week!

Chris and Kristi learned more about our health care services and programs and had a chance to tour our facility.

They shared with us some of the ways they help their customers learn how to better manage their financial situations and how to improve their credit rating. These are resources that are important for both organizations to know and be able to share with others.

Red Ribbon Week Activities

The Red Ribbon Campaign® is the oldest and largest drug prevention program in the nation, reaching millions of young people during Red Ribbon Week®, October 23rd - October 31st each year.

During Red Ribbon Week, our AODA counselors made appearances at Waupun High School, Beaver Dam Middle School, and Beaver Dam High School to bring awareness and provide education in regards to substance use.

Want to do more in your community?

Learn how the National Family Partnership and the Lock Your Meds Campaign can help you combat prescription drug abuse and bring awareness to the families in your state. Visit LockYourMeds.org

Collaboration with Empower Recovery

We have been collaborating with Empower Recovery for a while now. Empower Recovery brings a mobile van to our facility every Thursday from 1:30PM to 4:00PM and every other Friday and Saturday from 1:30 PM to 4:00 PM. They are a mental health and addiction treatment clinic that provides care through counseling, medication management, and personal empowerment.

This is very helpful for our clients in need of help with testing requirements and medication management. Many of them do not have their own transportation, so having this mobile van come to our location makes a huge difference with compliance.

To receive a copy of our newsletter, email: info@churchclinic.org. or call: (920) 887-1766, option 5.

Community Support

Waupun Holy Stitches Donation

We are grateful to have received this great donation of hats, scarves, blankets and activity muffs shown on the left. This group of Holy Stitches are very gifted and sharing! These items are all so very well made!

They will be shared with those who are in need of warm winter items or the activity muffs are great for those who need something to keep their hands busy when anxious.

Let us know if you are in need of an item.

BDCH Foundation Donation

We are happy to have recently been awarded a \$5,000 grant from the BDCH Foundation. These funds will be used to support our Beaver Dam mental health in the schools program. **THANK YOU!**

Currently we provide mental health services to children in Beaver Dam, Horicon, Fond du Lac, and Waupun School Districts in their school buildings. This works very well for the students and their parents who may have trouble getting their child to appointments because of their work obligations.

4 Imprint OnebyOne Grant

We recently wrote for a OnebyOne grant from the 4Imprint Company and are happy to say we were awarded this grant.

We are using it to purchase promotional items that we can use at events and also to benefit our mental health clients. One of the items we are receiving are these stress balls with our logo on them.

Thank you@4imprint #4onebyone for this grant!

Little Free Pantry

We are so very grateful for all of the individuals, businesses, and organizations that have collected and donated non-perishable food and personal care items to us for use in our Little Free Pantry! This small pantry along with the other area larger pantries is used by many and at all

times of the day or night. If you have these items to share, any amount is helpful!

If you have a larger amount, we ask you to please bring them into our building as we will use them to keep a supply of items in the pantry every day.

QR Code

If you would like to support our services and programs, we have tried to make it as easy as can be.

Scanning the QR code with your phone camera will link you directly to our website where you can make a donation in any amount you wish. You can pay with your credit/debit card or PayPal if you have an account.

This newsletter is brought to you by a donation from Mittera!

Staff

Mental Health Clinic Certification Renewal - Success!

Our mental health staff work hard to help people work through and make difficult changes. They have also worked hard to make our counseling rooms welcoming and comfortable.

Most importantly they maintain a high quality of care and have once again completed all the requirements for our clinic to be a WI State Certified Mental Health Outpatient Clinic and a Level One Outpatient Substance Use Treatment Center.

CONGRATULATIONS TO ALL!

Halloween Celebration - Success!

Halloween always bring out the fun for us all! We were able to dress in costumes, enjoy a potluck and share the holiday spirit with our patients and clients! Some great personalities shine through in these photos!
